

McLean Point Urban Renewal District

The McLean Point Urban Renewal District was established in 2015 for the purpose of funding infrastructure to support water related industrial development next to the Port of Newport International Terminal. It was proposed by the Port as part of the consultation process to establish the Northside Urban Renewal District. Projects are to be funded with tax increment from properties being developed and added to the tax rolls. Plan assumptions to be updated as development assumptions change.

Plan Area (Green)

			Tiali Alca (Orcen)
ŝ	QUICK FACTS		VE AN COL
	SIZE:	73.79 acres (all incorporated)	A A C
	DURATION:	20 years	
	USE DESIGNATIONS HEAVY INDUSTRIAL: WATER-DEPENDENT INDUSTRIAL: SHORELAND:	18.60% 61.70% 19.70%
